

Outstanding Victorian state race series debut for Sam Mennen at Winton motor raceway finishing 3rd for the weekend!!

Leasing brother Josh Gay's Australian pulsar series racecar where each racecar has the same controlled drive train, suspension, tyres & weight to make the racing close.

Practice - fastest by 2 seconds in the wet (Sam's first ever drive of the pulsar, great result)

Qualified - 4th

Race 1 - 3rd

Race 2 - 2nd in the wet & fastest lap

Race 3 - 3rd, after starting on pole

Race 4 - 5th

SAM recorded the 3rd fastest time for the weekend with a 1.43.80.

Sam drove so well in the changing conditions & only hit one other car in very close controlled class racing and learnt heaps

This would not be possible without the following support ~

Huge thank you to

- Ross Stapleton from Datsun 1600 spares for awesome car preparation
- Justin Doherty from Doherty & Clarke for tyres & race set up (unreal in the wet to)
- Craig Riddiford from Craig signs for awesome signs and support for over 20 yrs. into the next generation!!
