## PRESIDENT'S REPORT

Well how's the rain and flooding in Ballarat and surrounding areas. It's hard to believe how quickly dams- creeks and lakes fill up. The downside to all the rain is that we have seen events being cancelled and you know it's bad when tarmac events are cancelled also.

The BLCC have a pretty hectic few months ahead with events, October we see a double round of the VCAS, November Cogs carnival and Begonia rally and in December the Geordie Fawcett Memorial and BLCC 25<sup>th</sup> Anniversary celebration. Plus, car shows, H-Plate runs, motorkhana's and Khanacrosses. So as you can see there is plenty of Motorsport and social activities on offer.

Love must be in the air around the club with Stuart Hocking popping the question to Liz and also Darren Windus down on his knee Leanne. Congratulations to all involved.

Talking of cancelled events, I would like to thank Fred for all his hard work towards the Spring Tour, we all know how much work goes into a touring/navigation event and to have it cancelled can be a hard pill to swallow, Fred has advised that he will be back with the event next year but may have a name change depending on what season its held in.

As reported on Facebook Damian Faulkner directed the motorkhana at the BLCC motorsport complex on Saturday the 17<sup>th</sup>, by all reports it was a great ran event and had a great variety of test. Well done Damo and thanks to all involved.

Last month's meeting Jason Fear show cased the latest range of driving lights and light bars, members at the meeting found the display and discussion, and feel that more trade displays would be great at club nights.

There will be a club meeting on the 30<sup>th</sup> of September despite it being a public holiday. The meeting will start at 7.30 and doors will be open at 7.00pm.

Short and sweet this month.

See You at The Club

## SPORTS SUB COMMITTEE REPORT

Hey all

Some of you may not know but i am now chair of the sports sub-committee, As i have only had one meeting this will be a short summary. Also we have not had to many events in Victoria run this winter, with the loss of the spring 200 which was a VRC and also a VCRS. We have also lost Freds tour on the 25th all due to very wet conditions. Thankfully we have run motokhana 1, we did not have a huge field but it was very well run and a great event, A very big thanks to Damian Faulkner who in the last hour put the event together and made it a very easy and flowing day, also thanks to Wayne Holness, Robbie Prosser ,rocket Rod Hall, Michelle Bailey, and all those who attended the day, Outrights for the day were, 1st Damian Faulkner,2nd Conner Mcleod, and 3rd Dianna Orlowski.

We are setting the Calendar for next year very soon hopefully we can set some directors for events early and avoid the disappointment of some events falling over, The committee has re-cindereed its vote to not run any events, We will run events from now, What would be great is if we run an event if we could have a trainee with us to learn the ropes, Unfortunately we are not going to live or be around to do these things forever and would like to train the next generation to take over so as we can rest in our old age.

*Please think long and hard about the consequences your actions have on the rest of the Club Vehicle Permit Schemes permitted vehicles and their owners when your club permitted vehicle is being used. It is not a right to have a vehicle on a Club Permit, it is a privilege that is given provided all the boxes are ticked and maintained. It can be withdrawn at any time for many and varied reasons. Don't be the one that causes this club to lose that privilege.*

## Can you help at a club event, function or activity?:-

Our committee has been asking for help with recent and up coming events, Marshalling, Time Keepers at the club track etc., etc.. If you want your club permitted vehicle signed off, here are some excellent ways that you can get involved and cover the requirements of the Regulations, the Club Rules, enjoy a day or two with fellow members, learn new activities and on it goes. The Club Supports Those That Support The Club. It is a two way street. Please don't wait until some one has to ring around. Put your hand up and be counted.
