Long day for the members but well worth the community awareness.

Hi All,

Just a short note to thank you for your participation in Monday's Begonia Parade. I am excited for you to see the photos, which will be loaded on the Begonia Parade Facebook page in coming days, you look fantastic.

In the three years that I've been involved with the parade, this year has by far been the smoothest. It is always a logistical challenge with over 1,000 participants so I thank you for your cooperation.

I hope to see you all again next year and if there is anything I can do or pass on in the meantime please don't hesitate to ask.

Take care.
