

Saturday 15<sup>th</sup> and Sunday 16<sup>th</sup> of July seen the first running of RXAus rallycross championship run in Victoria. BLCC were well represented over the weekend. Darren Windus and Jamie Sargent in AWD class : Arron Windus and Richard Gay in the two wheel drive class.

Saturday started late due to the thick fog around the Winton track. With a quick practice which seen Arron Windus and his Mazda only complete 2 laps due to a misfire , Richard Gay found it tough going in his Nissan Poosa circuit car. The dirt section of the track cut up a bit rough due to the rain during the week. Darren Windus and Jamie Sargent seemed to come to grips with their toys for the weekend.

The RXAus rallycross was a great event, well run with close racing. This series will only get bigger and better, with SEAC running a round at Mount Gambier and the series looking for another 1-2 tracks in Victoria.
