

Winton motor Raceway round 5 BP / Pedders Sprint Series

Josh Mitch came 3rd today and in the series a fine 3rd after missing a round (knee surgery for sponsor, pit crew & dad)

While josh won the series in 2016 it was more rewarding to see josh improve times by 3 seconds into the 1.43 on 2 yr. old tyres and engine down on power

Thanks to the suspension/set up changes from Doherty & Clarke Justin Doherty, Tim & team helped Josh to a PB today 1.43

Hollywood (pulsar not josh) has been faultless for 2 seasons thanks to awesome racecar prep from Ross Stapleton from Datsun 1600 spares.

Also Craig Riddiford from Craig Signs for his support for past 21 yrs. into the next generation

Bring on 2017 where josh will race at Phillip Island and Sandown and some APRA rounds for some real racing

Hmmm now need some more power Pete Corcoran
