

NOVEMBER CLUB PLATE RUN

On Sunday 12th November members met at the Windermere pub for the first Club plate run for quite a while. 9 cars headed off at 9.30 on mainly back roads for our first stop off at Dunkeld.

After a short coffee and cake break we regrouped and made our way through the mountain ranges towards Halls Gap for lunch. However about 20k in we noticed that one or two cars were no longer in the queue. A broken fan belt putting an end to Wayne Holness' little Mazda. Thanks to Ben McKee who volunteered to go back to his rescue and tow him to the lunch break.

However, as seen on Top Gear when a fellow member, mate, brakes down, your left to fend for yourself, so we did, left him and headed off on our merry way towards Moyston then to Great Western and a little winery, known as Bests winery.

A fan belt was sourced in Ballarat and delivered to the stricken car late in the day. After a brief tour and a little taste testing it was time to head for home arriving back round 5pm.

From all reports members enjoyed themselves and are looking forward to the next.

At this stage I plan to run one more before Christmas, if you're interested and available, and would like to join in let me know. I know there is lots on this time of the year but if you can make it please do.

It will be on December 17th (the week after our Christmas break up) meeting at the Clubrooms at 9am for a 9.15 departure. At this stage heading towards Talbot, for the Market.

See you then,
Chris Hall.
