## **PRES WES SAYS:**

The April Autocross round Kyneton threw some big challenges at the organising team with the wet weather creating a very slippery track which was aptly described as “mud soup”. To think that we had to cancel the last round due to fire danger and then the next round is almost flooded out is unbelievable. The track quickened when the hard base was found underneath and some corners required the “soup” to be removed to help competitors. Some even lost it after the finish timing prompting the grader to clean it up. Barrels with their controlled weight of water were a good deterrent for people taking shortcuts or perhaps I got that wrong and they actually became targets – even so it was a great demonstration of their purpose and performance as a bollard – one that doesn’t get stolen from the track. The weather was a great leveller for the field meaning that horsepower was not an advantage on a very slippery track.

Surprisingly we had a full team of officials and the day ran extremely well – with a working bee at the lunch break included and all the extra mods to the track required, we still fitted in 8 runs and finished packing up at 3.15pm. A great team result – thanks to all the officials and competitors.

The working bee allowed the tyre barrier on the right hand side of the last corner to be completed ready for back filling. This barrier protects competitors from the stand of trees along that side and is a necessary part of our capital works program which is aimed at improving the risk controls required by our track CAMS licence. Our next task is to replace the barrier behind the start line and construct it properly as an island – hopefully we will be ready to start installing tyres at our next race day working bee. We are hopefully going to have the shelter / verandah installed in front of the scrutiny shed very soon to provide shelter for spectators on wet days like this round was.

In amongst the wet weather we had a young lady who was competing for the first time, having trouble with a racing clutch and requiring someone to bring the car to the start line for her where she attempted to wade through the mud to get in the driver’s seat. To allow her to enjoy the day and not get her nice black shoes wet and muddy, we rolled out the red carpet for her each time she got to the start line – all part of welcoming younger drivers to the club and helping them compete. Apparently the video of this activity went viral on facebook! Congratulations to Ellie Chadwick for persisting on the day.

We have first aid training arranged to occur in the near future to help with our pool of qualified officials – please get details from Michael Osborne if you can help by being trained as a first aider and being the nominated first aider on race days – another way of helping your club.

Our next race meeting is on Sunday 20<sup>th</sup> May 2018 and we look forward to seeing you whether competing or just helping out with running the event – please get yourself there and get involved in your club. Enjoy your motorsport!

## FROM THE EDITOR:

Well we finally ran a wet event. April was a doozie 42 drivers lined up for the excitement of the slip and slide and by the looks of Shirley's photos had a ball playing in the mud. The track held up well. Thanks again to Dan Fynch for sourcing the rock and rolling it into the track. I think everyone was a bit sceptical to start with but it held up. Even saw some dust flying. Yes that's right—dust. Thanks so much to our officials and track volunteers, photographer for getting out there event after event to keep you guys and gals running smoothly all day. Considering the day it went like clockwork. WELL DONE to you ALL!

Supp regs are attached and online for the May Event and the on line entry is open for entries. Don't forget to pre enter Junior Development as we have to arrange for instructors.

Wes reported the working bee ran well during the lunch break and a big thank you to all members who got there hands and themselves dirty - literally.

Next series will possibly see some class and series changes as the committee go over the existing classes/series. If you have ideas bring them up now as this has to be sorted prior to the commencement of the 2018/2019 series being July. Please talk to Michael Cleland with any ideas.

Macedon Ranges Shire have sourced Intelligent Training Solutions who are running First Aid Courses equivalent Level II. The club will reimburse any participants who complete the course as we need to build our numbers in trained first aid for our events. The cost is \$105.00 Romsey or \$115.00 Kyneton with various dates available in May 2018. To find out more about the availability of the course go to this link to enquire/enrol

We have sourced a van for First Aid with a kind donation from Judy Wagstaff of a Ford Maxima. Thanks so much Judy. The exterior might be a bit rough but she runs like a beauty. Could even use this as a huge esky on hot days as it is fully insulated.

# FOUND.....

Thanks to the generosity of Judy Wagstaff we have found a van. This beauty is a Ford Econovan Maxi. It will double as an esky in the hot weather as it is fully insulated.... Comes with slight cosmetic damage but it goes.

Thanks again Judy

Coming soon to KCC.....

### **RISK WARNING, DISCLAIMER AND INDEMNITY**

**Motor Sport Activities are inherently dangerous recreational activities and there is significant risk of injury, disability or death.**

If you do not wish to be exposed to such risks, then you should not participate in the Motor Sport Activities. I **acknowledge** that:

- the risks associated with attending or participating in Motor Sport Activities include but are **NOT LIMITED** to the risk that I may suffer harm as a result of:
  - motor vehicles (or parts of them) colliding with other motor vehicles or persons or property;
  - others participants acting dangerously or with lack of skills;
  - high levels of noise exposure;
  - acts of violence and other harmful acts (whether intentional or inadvertent) committed by persons attending or participating in the event; and
  - the failure or unsuitability of facilities (including grand-stands, fences and guard rails) to ensure my safety.

#### **EXCLUSION OF LIABILITY, RELEASE & INDEMNITY**

In exchange for being able to attend or participate in the Motor Sport Activities, I **agree**:

- to **release** CAMS and the Entities to the extent that any or all of them are providing Recreational Services from all liability for:
  - a) my **death**;
  - b) any **physical or mental injury** (including the aggravation, acceleration or recurrence of such an injury);
  - c) the contraction, aggravation or acceleration of a **disease**;
  - d) the coming into existence, the aggravation, acceleration or recurrence of any other **condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs**:
    - i. that is or may be harmful or disadvantageous to me or the community; or
    - ii. that may result in harm or disadvantage to me or the community,

howsoever arising from my participation in or attendance at the Motor Sport Activities;

- to **Indemnify and hold harmless and keep indemnified** the Entities to the maximum extent permitted by law in respect of any Claim by any person; and
- to attend at or participate in the Motor Sport Activities **at my own risk**. I understand that:

- nothing in this document excludes, restricts or modifies any rights that I may have as a result of significant personal injury that is caused by the Reckless Conduct of the Entities as the supplier of the Motor Sport Activities / Recreational Services;
- nothing in this document prevents the Entities from relying on any laws (including statute and common law) that limit or preclude their liability;
- nothing in this document excludes any term or guarantee which under statute cannot be excluded; however the liability of the Entities is limited to the minimum liability allowable by law;
- nothing in this document precludes me from making a claim under a CAMS insurance policy where I am expressly entitled to make a claim under that insurance policy; and
- CAMS has arranged some limited personal injury insurance coverage which may provide me with some protection for loss, damage or injury that I may suffer during my participation in the Motor Sport Activities. However, I acknowledge and accept that the insurance taken out by CAMS may not provide me with full indemnity for loss, damage or injury that I may suffer during my participation in the Motor Sport Activities, and that I may have to pay the excess if a Claim is made under an insurance policy on my behalf. I agree that my own insurance arrangements are ultimately my responsibility and I will arrange any additional coverage at my expense after taking into account CAMS insurance arrangements, this document and my own circumstances.

Where Motor Sport Activities are held in the following jurisdictions, I acknowledge that I have also read and accept the following warnings:

#### **WARNING APPLICABLE IN RELATION TO MOTOR SPORT ACTIVITIES HELD IN VICTORIA WARNING UNDER THE AUSTRALIAN CONSUMER LAW AND FAIR TRADING ACT 2012:**

Under the Australian Consumer Law (Victoria), several statutory guarantees apply to the supply of certain goods and services. These guarantees mean that the supplier named on this form is required to ensure that the recreational services it supplies to you:

**NOTE:** The change to your rights, as set out in this form, does not apply if your death or injury is due to gross negligence on the supplier's part. "Gross negligence" in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or omission. See regulation 5 of the Australian Consumer Law and Fair Trading Regulations 2012 and section 22(3)(b) of the Australian Consumer Law and Fair Trading Act 2012.

- a statutory guarantee that those services, and any product resulting from those services, will be of such a nature, and quality, state or condition, that they might reasonably be expected to achieve the result that the consumer wishes to achieve (as long as that wish is made known to the supplier or a person with whom negotiations have been conducted in relation to the acquisition of the services).

**Excluding, Restricting or Modifying Your Rights:** Under section 42 of the Fair Trading Act 1987 (SA), the supplier of recreational services is entitled to ask you to agree to exclude, restrict or modify his or her liability for any personal injury suffered by you or another person for whom or on whose behalf you are acquiring the services (a third party consumer).
