# PRESIDENT'S REPORT

Well with not long until the AGM with our guest speaker **Glen Wood**. So it's a good time to get your tickets and get ready for a good time.

We had two events on the one day on Sunday the 17<sup>th</sup> of June. It was round 3 of the motorkhana and round 3 of the khanacross. Thanks goes out to **Rob Prosser** from the khanacross and **Jake** and **Drew Gladman** with the motorkhana. So big thanks to them and all that helped with these events.

On the Saturday 23<sup>rd</sup> of June. **Oakley** and I went down to Winton for the round 6 of the CDC. 5 members participated in this event and out of them all **Chris Hall** came first. Poor Poke came in 5<sup>th</sup> for the club. It was a great weekend drive up on Friday night. We stayed in Glenrowan for the night and headed to the track in the morning. We managed to get through scrutineering to find out that the fire extinguisher in the Cortina was 11 years old. So with that mistake made we found a new one and that car was ready to go again. With so many other cars Oakley was very excited to get going but unfortunately, we had a few problems with the car overheating and there was nothing we could do. It was a big learning curve for the Poke and I but we are looking forward to the next event with the Cortina.

While some of us where at Winton, **Noel Peers** and **Wayne Holness** were out at the Motorsport complex with Off Road Rush. Thanks goes out to those two gentlemen for helping make so much money for the club without very little outgoing.

Last Friday meeting we did not have a club meeting but had a quiz night instead. My apologies for not being about to attend as unfortunately I was crook. It was low numbers for such a well organised night. Thanks goes out to **Keith McElroy**, **David Jowett**, **Rod Hall** and **Paul Gladman** who put together some awesome questions and made the night lots of fun. Hopefully we can pump up this event for next time as I know I am excited if it runs for next year. Thinking about changing what time of year we run this event. Let us know what your thoughts are about it.

This weekend Noel and I went to look at some land for the club. It was not very far from Ballarat and could be a possibility but still thinking about it. If you know of any other land that could be useful for the club please contact us. We would be interested to see what you have seen or have to offer.

If you have ever thought or wanted to be a part of committee now is the time. This is a way to help the club and be involved in some of the bigger decisions of the club. If you want to be a part of this vibrant team or share your ideas and wants for the club please put in your nominations.

To the committee members that are not renominating, thank you for all your help over the last 12 months. Hopefully there are other members of the club that can fill these spots with as much love for the club and all the work we do that you have had for these 12 months.

And to end, to the person who last used the land leveller could you please return it thanks.

Excited to see you all at the AGM.

Cheers,

**Barney Haddon**

# EDITORIAL REPORT

And so, we come to the end of another month and approach the AGM, the night of nights of the BLCC where we don our finest jeans and shirts and enjoy a nice meal while GT Racer **Glenn Wood** gives us a speech on his career.

Also on the same night is the Committee elections, though nominations this year are seeming few and far between with some members even referring to a negative attitude within the club towards organising officials being a reason to not join committee.

It always seems to be the case though, with numerous stories of this happening through my time in the car club and while it always seems like harmless complaining, as I have now seen all too often, it carries on through the club and show us off as old whingers to any outsiders who hear about it.

And from what I've seen I can say one thing; You can complain all you want about the club, but if you don't fight you lose.

There's still time to submit a nomination, Stand up and be counted.

# COMMITTEE NOMINATION STATEMENTS

Hi everyone, I guess by now most of you know who I am and as my term on committee I am keen to nominate again

I have been very active in looking after the motorsport complex, getting things ready before and after events.

I do what I can to help out at different events and am currently having assessments done for upgrading my cams official license to club chief level so I can help run an event or two.

I enjoy being an active member of our club and have recently begun competing in some events, also organize and run a monthly club run as well as participate in others.

Thank you for your consideration

**Wayne Holness**

G'Day. So here is a little bit about why I would like to be re-elected to committee. As I have done before let me start by telling you a few things that I have done this year. Well mainly I have been President of the club and have been performing all the tasks that go along with this role. I have also been involved buying a new trailer for the club, finally got the bobcat going and received a grant for some much needed heated jackets for infield officials. This is not all I have done for the club over the 19ish years I have been on committee and the 30ish years I have been a member but it is some more recent things I have done. But enough about the past let's move onto what I wish to do for the club in the future.

I want to take this club back to grass roots motor sporting events. This means more come and try events, hill climbs, building up khnacross, autocross and motorkhana events. In regard to the postponed hill climb it will still be running in September.

With constant money coming into the club through the Off Road Rush events. This is a great way to channel this money into building up current club events and making them stronger for the future.

I also hope to bring a focus to non-racing events such as H-plated runs, weekend drives to include the whole family, observation rallies and trade nights.

I have been able to see how my work for the club has help to bring a new generation into the club with all four of my children taking different interests in different parts of motor sport and I hope to not just impact them but impact all young club members.

I hope you would consider me for your vote.

Thanks

**David "Barney" Haddon**

**Noel Peers** is also up for re-election if the election does infact occur. Noel is a mainstay of the club, having been actively involved since the late 1980's, he's run numerous events, competed in a variety of cars and is currently the house chair who also organises some non-car based club fundraising with the annual Phonebook Fling.

Noel was made a life member for his contributions to the club and there is no other person currently involved in the BLCC as dedicated to the cause as Noel is.
