President's Report

To you all have a Merry Christmas and a great New Year and next year we will hope to have our own land.

We have the Geordie Fawcett Memorial Autocross. The times for this event will be further on in the Bulletin. If you have children, can you please give me a call with numbers of children, so Santa can have a little presents and lollies.

To all new members who have not been around for Christmas before, The Geordie Fawcett has one unique thing is that the fastest lap of the day wins the day, so this is out of the laps you do for the day. One lap is all it takes, like Reg last year, last lap and last car on the track and it was the fastest, so Reg is the Clerk of Course for this year.

Now I will go back a bit to the 70th Anniversary on the 19th and 20th October, what a weekend, to you that didn't get involved, too bad. You missed a well organised weekend with car display down at the Bridge Mall with buskers and around 15 to 20 cars, then on to the afternoon with a car trial that went out and around the countryside, with some old named roads having new names at different ends, but I think everyone that went on it had a great afternoon anyway with everyone making it back to the clubrooms with a story to tell about the shit directions, then I told them that I had written it that morning with some old Winter Classic rally maps and Google Earth. At night we had a sit-down meal and John Emery was the MC with 2 others taking about the old times from LCCA to current time. John gave us a talk with a movie and pictures with the people that won the first Armstrong 500 at Phillip Island and the people that went on with a career in Motorsport.
The club would like to thank all the people that helped. Some stand out, Paul Gladman and his family, Trevor Ryan, Michele Bayley and Wayne Holness for their work on the outside of the clubrooms, which looks great. Sunday had the first free Autocross with Ben and Paul as Clerk of Course. The winner was Ben McKee and Jordan McDonald the junior that finished 4 outright. Ben Fawcett with approx. 15 years off racing finished 6 outright in his mates BMW325. Well done to all for a great 70th and one to remember along with the 70th card.

2nd and 3rd November, we ran COGS CARNIVAL which was run by Damian Faulkner and his 3 event supervisors, Ben, Paul and Stacey Elson, All 3 did a great job as well as the girls in the Dusty Dinner, if was bloody great to see one member stepped up, well I should say leaped up was Stacey getting into the Motorkhana with the tests and timing, so thumbs up well done to all. The winner was Ben McKee, so Ben will be running the next year's COGS CARNIVAL.

On Monday night of the Committee meeting I had a phone call from Graham Scott about his coming onto committee as he had been talking to me some time ago. At the next Committee meeting he will be seconded on to the Committee, so that will make a full committee, Thanks Graham Scott.

In the next few weeks we will be having 3 or 4 nights to clean up around the motorsport complex, so just have a look in the bulletin for times and dates. Jobs like cutting grass, cleaning up around the Dusty Dinner, shed clean up, cut up wood for the fire and get the club cars up to Scratch. Next year we have a full calendar so you will be expected to get involved in one or two events to help the club, to make light work for everyone. When we ask to get involved just give us a ring before we ring you.

At the Friday night meeting the Guest speaker will be the people that we bought the Deliberator off to explain how it works.

To all member and their families have a great Christmas and a safe New Year.

Barney and family.

Cog's Carnival

Day 1

At 12.00 on Saturday 2nd of November a small, but quality field gathered ready to attack the Autocross component of Coghlan's Carnival for 2019 ran by Paul Gladman. Thanks to the "great water-truck in the sky" which ran constantly from the Friday afternoon till the Saturday morning, competitors were greeted with a soggy, muddy quagmire for a track. Book-in, scrutineering, Dusty Diner and briefing went ahead regardless. The event ran smoothly with only a few light showers and 5 competitive runs for the afternoon. Most drivers coped with the slippery track conditions, except for Oakley Haddon who entered his new buggy for its first event. Any other day would have been fine, however the wet track conditions, combined with no cowling around the engine, no windscreen and no wheel arches equals everything covered in mud… including Oakley!

Day 2

One event down, two to go. Competitors arrived early for the Motorkhana component and Stacey Elson chose 6 great tests to challenge the field. The rain had stopped but the tracks were still wet. The gravel "bomber-strip" gave competitors a slippery, but consistent surface to drift, slide and spin around the tests. It's always good to see driver's faces after a Motorkhana test because they are either smiling, laughing or both. The outright results of the Motorkhana were extremely close as the top 3 were only separated by less than 2.5 seconds. The standout driver was junior driver, Jordan McDonald who was only 0.6 seconds away from 1st placed Ben McKee.

After a tasty lunch break at the Dusty Diner we started the final event. Khanacross. Ben McKee set up 3 totally different driving tests run in either direction to make 6 tests in total. Part gravel, part grass, part autocross track, part bitumen made an interesting mix. Fastest driver in this event was Reg Johnson waving the flag for the rear wheel drives.

Results

After the pack-up, we headed over to the Clubrooms for presentations which were appropriately held outside in front of Phil Coghlan's Mazda RX7 racecar which has recently been rebuilt by Philip's sons, Stephen & Richard. Trophies were framed photographs taken by David Jowett during the event (thanks David). With a smaller field but a good spread of classes meant that nearly half the field came home with a trophy.

3rd Outright was Ken Rowland in Subaru WRX. Running "below the radar" but strong results gave him a good outcome.

2nd Outright was Reg Johnson in his Mitsubishi Galant. Always fast in all conditions.

1st Outright was Ben McKee in his Ford Escort. 1st in the slushy Autocross, 1st (just) in the Motorkhana and a 2nd in the Khanacross made for a hard to beat result. Well done Ben!

Thankyous

Subevents: Paul Gladman - Autocross, Stacey Elson - Motorkhana, Ben McKee - Khanacross – thanks guys!
Admin, Book-in: Rod Hall, Michele Bayley, Rhonda Coghlan
Steward: Roy Parkinson

Khanacross

A fine day greeted the Khanacross competitors for round 4 of the KX series on Sunday 17th November. A good field of 19 cars fronted with several new to motorsport drivers in Kasey Rowlands in the 4WD Subaru and Ben Murray in the Excel trying their hand on dirt, as well as APRA circuit racer Martin Lanza.

5 tests including a 1.2km & a Big mother 1.5km (that's what the test is called lol), also 2 tests with 2 & 2.5 donuts and the award for best donut, awarded by expert timer & old boy Wayne Holness.

Outright winner on the day with a clean set of heels was Kenneth Rowland in the 4wd Subaru having 2 fastest test including the Big mother, Ken Rowland in a 4wd Subaru in 2nd outright & 1 fastest test. Then one of the crowd pleasers was Reg Johnson in the rwd Galant in 3rd outright & 1st in class I, overheating issues certainly didn't slow this old speed racer, maybe this was why it was overheating. On the long test Reg was seen to have both rear wheels off the ground and then front wheels coming into the garage. Also 2 fastest times.

4th outright & 2nd class I was the professor in the Laser fwd Rod Hall, having a day off from doing the sup regs, timing & scoring, yet Rod was still at the airport first in the morning helping set up.

In 5th Outright & 1st class D was Josh Gay, hot off his circuit racing successes for the year and keen to get some sideways action in the yellow Gemini Rwd rally car. Pushing hard in the 1st two tests with new rally tyres saw a broken axle for Josh & ending the Gemini's day early. This was a shame for Josh's brother Sam Mennen too, who had set the 3rd fastest time on test 2 in the Gem. Good gesture from fellow competitor Dylan Simonis lending Sam the big grunter Ex Ute racing Falcon ute, which certainly placed a smile on Sam's face.

Actually 5th outright through to 8th were only separated by 2 seconds after 368 seconds of racing in vastly different cars with Josh 5th Gemini / laser, 6th Sam Rozitis in the giant killing Mirage, then ex rally driver Ben Fawcett in a Rwd BMW, showing he hasn't lost his touch after a long layoff & Peter Jowett in 8th in a mirage bought on the Friday night just for this event !

This demonstrated that they were tests that suited 4Wd, Fwd & Rwds.

1st Junior home was River Murray in 9th outright and with dad and sponsor Ben Murray also having a drive, the poor excel overheated after 2 tests. Luckily the BLCC has club cars and after a jump start they were off to finish the day in the auto green pulsar.

Robert Dekker in the rwd silvia turbo, was seen to have a big smile on his face all day & loved the faster long test with plenty of sideways on the way to 1st class B & 15th Outright.

Sam Mennen placed 1st in class H, although tried hard but couldn't match the times in the Gemini on the earlier tests but had fun in the 460hp ute.

Kasey Rowlands won class L & improved during the day & hope to see Kasey at future events. Finally the show man of the day destroying 4 rear tyres in his large hp falcon ute was Dylan Simonis, numerous large slides, spins and rev limiter stunts, kept the crowd entertained.

Now the real winners – the donut award, Wayne had trouble picking the best donut, but was given to Reg Johnson with several near perfect spins, followed closely by Sam in the Gemini & Ben in the BMW both rwd, but Wayne had a special mention for Peter Jowett in Dad Dave's Fwd mirage for a fine effort.

These events while great fun & improve skills, would not be possible without the helpers !

Big shout out to Wayne Holness, this is a true display of a clubman of the BLCC. Wayne was out at the track Friday, when I did the hand over & organise the club cars, then Wayne was my official tester on Sat & also spent hours on the bobcat. Then Sunday he was at the track early, placed fire extinguishers out on each test, timed 2 tests then after been told to go home, he didn't and instead helped pack up hats and then closed the complex. Outstanding mate, owe you a beer at next racers night !

As usual Michele Bayley did an excellent job booking in and taking the cash (noting the event was a success and made a nice profit)

Scrutineers in Darren Wythe & Chris Stevens thanks for checking the cars & giving up your Sunday morning.

The timers were first class, in Wayne, Ian Ellis and newbie Pat Hawkes, who is keen to try the dirt action himself.

Thanks to Martin Lanza, Josh, Sam for assisting in the 5 hours to set up Saturday & pack up the test on the Sun.

Until next time,

Richard Gay

Director.

Club Plate Scheme

NEW CPS APPLICATIONS

Once becoming a member of the BLCC and after a period of 3 months a member can apply to place a vehicle or motorbike into the CPS

There are forms for the Club and Vic Roads to be completed as well as a series of 7 photos of the relevant vehicle. A current RWC is also required.

A check list of documents required is available at the Club

Bring all documents to the Friday meeting and submit to our Permit Officer, **Rick Pope**.

Rick can be contacted at:

spatiala@yahoo.com or +61 419 550 718

After obtaining Club approval all documents are taken to Vic Roads by the applicant for processing.

You can apply for a 45 or 90 day permit.

A fee of $5 is payable to BLCC on application.

RENEWALS

As of May 23 2017 all CPS renewals will be carried out at the Friday night general meetings.

The procedure is as follows.

On arrival to the meeting, members will be able to place the Vic Roads renewal form on a marked table just inside the door (accompanied by the $5 fee), to be signed by one of our signatories (**Rick Pope**; **Barney Haddon**; **Chris Hall**).

At the completion of the meeting members will be able to pick up the signed form on departure.

Members will be notified if an inspection of the vehicle is required prior to signing.

If unsure that an inspection is required, call the Permit Officer prior to the meeting.

BLCC CLUB SUPPORTER

Young Ballarat local & BLCC member Josh Gay has finished his first season of state circuit racing, competing in the close controlled class racing in the Australian Pulsar Racing Association in the Victorian state race series.

Josh racing over the 5 round series at Phillip Island, Sandown & Winton, finished on the podium in 3 rounds at each track with the highlight his first race win at a wet & windy Winton.
Josh was wrapped with his season which exceeded expectation against a field of experienced drivers. Josh's motocross & Karting background prepared him for racing on the larger tracks and assisted in some great racing and passing, including an around the outside successful pass over the top at the end of the Sandown straight at over 200km/h for a 2nd place !

Josh is thankful of the support of his family, as well as great support from Declan Kirkham from Vurgel Automotive, Peter Corcoran from auto projects, Craig from Craig signs and Justin Doherty from Doherty and Clarke, who each helped make it a successful season for Josh.

Josh is looking forward to season 2020 & currently work is being completed on the Pulsar looking for more speed.

Richard Gay in his 2litre sports sedan Toyota 86, restricted turbo finished the season in 2nd outright and 1st class D in the South Australian state series for 2019.

Travelling to SA kept Richard racing this year as son Josh was racing the Victorian state series.

Highlight of the year was winning 3 races out of 4 and the overall for the weekend at Winton, where SA & Vic 2 litre sports sedans shared the track. Extra special was having Josh racing in the very same races & Josh winning his first apra race in the wet. Richard recorded his personal best time at Winton with a 1.34.2, which with some weight reduction, as the 86 is 112kg over weight for the class & some suspension tuning hope to improve the lap times.

This wouldn't be possible without the support of pit crew chief and son Sam Mennen, wife Kim & Josh all supporting the racing. Also Pete Corcoran at Auto Projects for car prep & those new AP brakes !
Craig from Craig signs making that e86 look sharp and the suspension and tyres from Doherty & Clarke, thanks Justin and crew.
